

2010 Summer Camp Health Care Staff

Camp Chewonki for Boys
Camp Chewonki for Girls
The Chewonki Foundation

The Chewonki Foundation is a year-round environmental education center located on a 400 acre peninsula in mid-coast Maine. During the summer, Chewonki offers a residential camp program for boys based in Wiscasset, a girls wilderness camp based in the North Maine Woods and coed wilderness expeditions for teens. Visit our web-site at www.chewonki.org.

A member of our Camp Health Care team is an essential member of the camp community. While his/her major responsibility is health care, it is important that he/she become familiar with all aspects of camp life and have a genuine interest in being part of a team that strives to make each child's camp experience the best and safest possible.

Dates: June 7 - Aug. 12, 2010. Half season options may be available.

Requirements: RN license preferred, although EMTs/WEMTs and WFRs are strongly encouraged to apply. Candidates should have experience working with children in a school or camp environment.

Salary Details: Salary depends on experience, licensure and certifications. Benefits include a generous discount on children's admission to summer programs and room & board.

For More Information or To Apply:

Please send a cover letter, resume, and 3 letters of reference to the following address. We will contact qualified candidates to arrange a visit and interview.
