

Summer Camp Nurse
Camp for Boys
The Chewonki Foundation

The Chewonki Foundation is a year-round environmental education center located on a 400 acre peninsula in mid-coast Maine. During the summer, Chewonki offers a residential camp program for boys ages 8-15, a girls wilderness camp and coed wilderness expeditions for teens. During the school year we offer an 11th grade program, semester school, and environmental education programs for school groups. Visit our web-site at www.chewonki.org.

The **Camp Nurse** is an essential member of the camp community. While his/her major responsibility is health care, it is important that he/she become familiar with all aspects of camp life and have a genuine interest in being part of a team that strives to make each child's camp experience the best and safest possible.

Dates:	June 9 - Aug. 11, 2010
Requirements:	RN license preferred, although EMTs are strongly encouraged to apply. Candidates should have experience working with children in a school or camp environment.
Salary Details:	Salary depends on experience, licensure and certifications. Benefits include a generous discount on children's admission to summer programs and room & board.
